You are the culture.

Six-month blended learning journey uniquely designed for leaders of leaders

Leaders create culture, and culture is critical to the success of your business.

Designed with leaders of leaders in mind, the ADVISA Leadership Academy addresses the challenges and opportunities that today's leaders face. The ADVISA Leadership Academy is a great fit for those leading functional areas, divisions, or entire organizations.

Effective leaders turn your culture into a competitive advantage.

This program blends the six major content areas above with thoughtfully designed opportunities for participants to learn more about themselves, interact with each other and trusted partners in learning, and apply their new skills and mindsets in real-time.

This program consists of:

- Six full-day in-person sessions, where participants will spend time with their cohort and an ADVISA facilitator discussing, learning, practicing, and planning application of high-impact mindsets and skills
- Seven 1:1 touchpoints with key individuals including coaches, facilitators, and consultants to ensure maximum application of the material
- Additional data-driven insights powered by the EQ-i 2.0 and The Predictive Index Behavioral Assessment, accompanied by thoughtfully designed E-learning and intentional connections to each content area
- Impactful between-session application activities and plentiful opportunities to connect with peers and reflect on results
- A program capstone presentation meant to connect leaders' personal development with tangible, observable outcomes in the form of a strategic change initiative
